

All the images on this disk are the exclusive copyright of **James Ringrose Photography** and may not be used, copied, modified or distributed in any form without adherence to the usage terms below and where stipulated clear attribution of copyright as follows:

© James Ringrose Photography, 2008

Usage Terms:

1. James Ringrose Photography retains the copyright of all the images on this disk unless otherwise agreed in writing. That copyright extends to copies of the images or partial images in whatever medium they appear.
2. A copyright notice may only be omitted from an image when explicitly agreed, in writing, in advance with [James Ringrose Photography](#).
3. Royalty free images (as indicated on your invoice) may be used without a copyright notice, but may not be resold or marked as the copyright of any other person or organization. In addition the images may not be contained within any publication, website or other published media where the copyright might reasonably be assumed to belong to the publisher of that publication. James Ringrose Photography will not withhold the right to use images under these circumstances provided that there is an clear attribution of copyright of the images contained within the publication and it appears in a form that is agreeable to James Ringrose Photography.
4. The images on this disk may or may not contain the above copyright notice. This in no way indicates that the copyright does not extend to these images or copies of these images.
5. All the images on this disk are digitally watermarked with a unique serial number for your protection.

Thank you.
James Ringrose
